RE: PLUMBING INSPECTION NOTICE TO CONTRACTORS

Effective September 1, 2010 plumbing inspections conducted by the City of Troutdale will be performed on Monday, Wednesday and Friday only. This change is in response to a diminished number of plumbing inspection requests.

Plumbing inspections will not be performed on Tuesdays or Thursdays.

Please consider these changes when making your plumbing inspection requests.

If you have any questions please contact Jodi at 503 674-7229.
