

Street Sign Vandals Strike Again

News Release Date

08-07-2023

Please be aware that street sign vandals are still at it in Troutdale. Since this spree began last month, Troutdale has seen more than 30 incidents of street signs knocked down – many of them stop signs.

This destruction presents serious public safety risks to motorists, bicyclists, and pedestrians. Please be watchful for downed signs – especially the stop signs – and take extra care when approaching and crossing intersections.

Please stay vigilant! If you see a downed sign, please notify Public Works as soon as possible at 503.674.3300 or via our online [Citizen Request Center](#). If you have any information that might help identify and stop these vandals, please contact the Multnomah County Sheriff Office's tip line at 503.988.0560.
